III. Approval of Past Minutes-Ms. Cram read the minutes from the last meeting. Sam made a motion to approve the minutes and Alla seconded the motion.

IV: New Business

- a. 2012-2013 School Data Review -Ms. Cram presented a powerpoint presentation showing data from last school year. The data showed that we had a slight dip in our API of 6 points last year. However, in looking at our Growth over Time, we have had a lot of gains in the past 3 years. Our data showed a significant improvement in scores with our special education population and a slight decrease in scores with our English Learners. Ms. Cram does a pull out reading intervention program for the ELD and struggling readers. We are also working on getting every teacher a hour a day T.A. time to use in a small group and one on one model to help students. It was proposed the the FOWHE budget next year include more T.A.'s if possible. It was also proposed to look into purchasing Lexia Reading, an online reading program, which is currently being used by the intervention and resource program to help increase test scores and student achievement. It was also discussed about how will the new Common Core State Standards and changes to testing affect our school. It was suggested that a parent training be held to keep the parents informed about the changes.

V. Announcements: Joel Meia, FOWHE Representative was not in attendance.

Meeting adjourned at 4:05. The next meeting will be held January 23, 2014.
